

## Continuing Education Supplemental Course Application

The International Association of Orofacial Myology (IAOM) is a non-profit professional organization providing education, training, and certification in the field of orofacial myology. The IAOM offers and maintains accreditation as a Continuing Education provider to licensed healthcare professionals. Active members of the IAOM are licensed as MD/DO, DDS/DMD, SLP and RDH. Special consideration is given to those outside of the listed professions.

Our goal is to provide an ongoing list of educational opportunities to our members that support and compliment orofacial myology.
