

2019 Poster Learning Outcomes and Disclosures

Walsh– Tongue Tie and Speech Clarity

Participants will be able to:

1. State at least one type of articulation error correlated with ankyloglossia.
2. List 1 way in which ankyloglossia may impact speech sound production.
3. Describe an example of how ankyloglossia and speech are correlated in the literature.

**Walsh:**

**Financial Disclosures:** intellectual property rights, royalty, Honoraria, speaking fees

**Non-Financial Disclosures:** Board membership, volunteer consulting, OMI

Walsh Overland– SLPs Role in Frenectomy Care Feeding

Participants will be able to:

1. Understand the role of the SLP in pre/post op care with children with a diagnosis of ankyloglossia.
2. List two reasons why pre/post op care is necessary.
3. Implement at least two pre and post op exercises to target feeding skills for a pediatric frenectomy patient.

**Walsh:**

**Financial Disclosures:** intellectual property rights, royalty, Honoraria, speaking fees

**Non-Financial Disclosures:** Board membership, volunteer consulting, OMI

**Overland:**

**Financial Disclosures:** Royalty, Honoraria, Consultation fee, speaking fee

**Non-Financial Disclosures:** IAOM, ICAP, ASHA member

Paskay – Improve Chewing, Prevent Choking

Participants will be able to:

1. Understand worldwide statistics on choking deaths in otherwise healthy children and adults.
2. Identify foods and circumstances more likely to trigger accidental choking.
3. Apply the concept of chewing efficiency in therapy and in lifestyle.

**Financial Disclosures:** None

**Non-Financial Disclosures:** None

Walsh Hill – Combining the Muscle and Motor Approaches to Facilitate Speech in Individuals with OMDs

1. State at least two phonemes that are misarticulated in orofacial myofunctional disorders.
2. List at least 1 technique to shape a sound with a tactile cue.
3. Describe how to cue fade a tactile cue to facilitate correct placement of a speech sound.

**Walsh:**

**Financial Disclosures:** intellectual property rights, royalty, Honoraria, speaking fees

**Non-Financial Disclosures:** Board membership, volunteer consulting, OMI

**Hill:**

**Financial Disclosures:** consulting fee, ownership interest for teaching/speaking

**Non-Financial Disclosures:** None

Lazer Dorfman - Improve Clinical Outcomes with Nutrition Awareness

Participants will be able to:

1. Identify five warning signs that nutrition intervention might be useful.
2. Understand how dietary irritants and missing nutrients affects neurological and immunological development which in turn, can impact cognitive and learning capacity.
3. Understand why therapists who recognize and address nutritional deficits before treatment will have higher success rates with their patients than those who do not.

**Financial Disclosures:** None

**Non-Financial Disclosures:** None

Brinkman-Falter - MMA Surgery Self Case Study

Participants will be able to:

1. Examine myofunctional disorders and interpret the regimented preparation process for bimaxillary surgery
2. Translate post surgical expectations and recognize non invasive post operation tools available to promote overall patient wellness
3. Identify health conditions that motivate a patient to pursue bimaxillary surgery.

**Brinkman-Falter:**

**Financial Disclosures:** Honoraria, speaking fee, consultation fee

**Non-Financial Disclosures:** IAOM member

Bell Caldwell Cossell - Comparison Tongue Muscle Performance of Singers and Non-Singers

Participants will be able to:

1. Identify a potential application in signing as a method to promote healthy tongue muscle performance
2. Discuss the potential for these findings to compliment current rehabilitative practices and improve one's quality of life.

**Bell et al:**

**Financial Disclosures:** None

**Non-Financial Disclosures:** None

Walsh - Scope - It's Not Just a Mouthwash!

Participants will be able to:

1. Define scope of practice.
2. List professionals with OMD within scope.
3. Describe how to investigate their own scope at state and national levels in relation to treating OMDs.

**Walsh:**

**Financial Disclosures:** intellectual property rights, royalty, Honoraria, speaking fees

**Non-Financial Disclosures:** Board membership, volunteer consulting, OMI

**Financial Disclosures:** None

**Non-Financial Disclosures:** None
